Jefferson Healthcare Whittington Nominated for PSBJ 40 under 40

Port Townsend, WA – Jefferson Healthcare is proud to announce Chief Administrative Officer and Chief Financial Officer Hilary Whittington, CPA, MBA has been recognized by the Puget Sound Business Journal as a “40 Under 40” award winner. This prestigious designation recognizes the 40 most “up and coming” leaders in our region. Whittington oversees the finance, ancillary and support service related departments at Jefferson Healthcare.

Whittington joined Jefferson Healthcare in 2011 as Chief Financial Officer and was promoted to Chief Administrative Officer in 2018. She led Jefferson Healthcare’s financial and operational turnaround and is key member of the leadership team of one of the more dynamic rural healthcare organizations in the country.

“Hilary has been instrumental in both our growth and improvement as an organization. She understands the critical role Jefferson Healthcare plays in our community and is a passionate advocate for the continued sustainability of rural healthcare. In addition to all of this, Hilary is a delight to work with and we could not be more proud of her “40 under 40 recognition” said Mike Glenn, CEO at Jefferson Healthcare.

For the past 20 years the Puget Sound Business Journal has introduced 40 of Washington’s brightest and most innovative leaders of the business community. This year’s class will be recognized at an awards ceremony September 28, 2018.

Jefferson County Public Hospital District No. 2, doing business as Jefferson Healthcare, is a DNV-accredited, fully integrated health care system providing services to over 29,000 residents of east Jefferson County on the Olympic Peninsula of Washington State. The hospital is a fully-accredited 25-bed Critical Access Hospital under CMS guidelines, with complete 24-hour coverage by a physician staff of hospitalists. Top-rated services include: 24-hour emergency department, laboratory services, acute care and intensive care units, family birth center, the latest in digital imaging and a comprehensive array of respiratory, physical, speech and occupational rehabilitation therapies. In addition, Jefferson Healthcare has clinics located in and around the hospital and local communities including a full-service orthopedic clinic and an oncology clinic administering infusion services of chemotherapy, immunotherapy and other vital treatments. Outpatient specialty clinics provide wound care, sleep medicine, Coumadin and anticoagulation, and dermatology services. Jefferson Healthcare has the latest equipment in diagnostic imaging for outpatient and inpatient radiology services. The primary care clinics and the outpatient surgery and endoscopy center are located near the hospital in Port Townsend and in the surrounding communities of Port Ludlow and Quilcene, Washington. Primary care clinics provide pediatrics, family medicine, obstetrics, women’s health and internal medicine. Additional specialty clinics provide cardiology and pulmonary, nephrology and urological surgery and pelvic floor reconstruction. A broad range of support groups and community education programs exist to round out Jefferson Healthcare’s total approach to patient wellness. Jefferson Healthcare ensures no person is discriminated against on the basis of age, race, color, creed, ethnicity, religion, national origin, marital status, sex, sexual orientation, gender identity or expression, disability, veteran or military status, or any other basis prohibited by federal, state, or local law.
